

The Garden District
Mazyck-Wraggborough Neighborhood Association Notes 5/25/2006

Our last meeting of The Garden District Mazyck-Wraggborough Neighborhood Association was Thursday, May 25, 2006 held at the Rising High Bakery.

This meeting was a combination of our Summer Break Party and Annual Election as well as a discussion on Hurricane Preparedness.

The hurricane discussion centered on a survey form, which each neighborhood in the City was asked to complete. It contains information on citizens with special needs in preparing for, or evacuating, prior to a hurricane. This information is to be sent to the Fire department to identify and assist those with special needs.

The election of new officers results were:

President	Vangie Rainsford
Vice President	Fred Willis
Treasurer	Brian Borry
Secretary	Sherry Remillard

The Neighborhood Association provided refreshments, and a good time was had by all!
