

**The Garden District
Mazyck-Wraggborough Neighborhood Association Notes August, 27, 2007**

Our last meeting of The Garden District Mazyck-Wraggborough Neighborhood Association was Monday August 27, 2007 at 6:30 p.m. held at the Rising High Bakery.

Brian Borry, Treasurer, gave an update on the state of our finances. He said that while the Association has been considering placing the funds in a CD to receive higher returns, it was decided to maintain flexibility at this time.

We were briefed on the status of the Federal Building site. It has been placed up for bid with \$12 million being the opening bid. It was decided that it was time to reconvene the Federal Building Committee to be prepared to work with the new owners.

Patrick Properties presented their plans for their new hotel to be located at 440-446 King Street. Randall Goldman gave an overview of the Patrick vision, and architect Reggie Gibson discussed the building in detail. The plans were received with enthusiasm by the majority attending.

As this was our Fall-Kick Off Meeting, the association provided wine and hors d'oeuvres after the meeting. A good time was had by all!
