

The Garden District Mazyck-Wraggborough Neighborhood Association

The Mazyck-Wraggborough Neighborhood Association met on October 19, 2009 at the Rising High Bakery. The major topic of discussion was the proposed Hotel Accomodation Overlay Zone. After much discussion the following was approved by unanimous vote:

Mazyck-Wraggborough supports the continuation of the General Business zoning now in place at the corner of Calhoun/East Bay/and Alexander Streets. The neighborhood opposes any Accommodation Zoning Overlay in our historic garden neighborhood.
